July 17, 2020

Aloha ULS Parents/Guardians,

As summer begins to wind down, I hope you and your family are able to enjoy time together. In this week's communication we are providing you with the [ULS Return to Campus Plan](#) for the 2020-2021 school year. This plan specifically focuses on COVID-19 related changes while our 2020-2021 ULS Student/Parent Handbook contains all general school information, policies and procedures. The student/parent handbook will be available by August 1, 2020.

As a reminder, this campus plan is subject to change depending on decisions made at the DOH, CDC, BOE, HIDEOE, Charter School Commission, and ULS Governing Board level. We will do our best to update you as these changes occur. Please read over the return to campus plan to familiarize yourself with the changes to our daily school operations as well as the health and safety protocols put in place during this time. It is imperative that you go over these changes and protocols with your child and begin to talk with them about the importance of health and safety, personal hygiene, and social distancing. By working together, we can ensure that all of our students, faculty and staff are in a safe environment for learning and working.

Below you will find information regarding the 2020-2021 school year meal program and application to apply for the free and reduced lunch program.

### Meal Program (Optional)

ULS participates in the National School Lunch Program. The Free and Reduced Price School Meals Application and Verification Forms for school year 2020-2021 are attached and available on our school website (on the Resources webpage). Once completed, please mail, fax or email electronic copies of the form to the school. Families will be notified if they qualify for free or reduced meals. Please note that families must apply each school year to qualify for free or reduced meals. Eligibility status from the prior school year can be carried over for 30 school days until a new eligibility determination is made. Families are encouraged to complete the Free and Reduced Price School Meals Application and Verification Forms for school year 2020-2021 anytime there is change in your household circumstances. Should you have questions about this program, please call the ULS Office.

[HCNP-FAQ-for-meal-application](#)

Sodexo is the school meal vendor for our breakfast and lunch program. Sodexo does not take daily orders. Meals are ordered and paid for only on a monthly or semester basis. Breakfast cost is \$4.50 and lunch cost is \$5.50 per meal. Meal order forms will be distributed in future communications. Throughout the school year please check the school website for updated meal info, order forms, and menus.

Information regarding your child's assigned group and other school information including student class schedules, Booster club membership letter, meal order forms, and Powerschool access information will be provided in the July mailout packet.

We are currently working to prepare our campus to welcome all of our students, faculty and staff. I look forward to having a safe and productive school year. Thank you for your continued support of ULS.

Mahalo,

A. Keoni Jeremiah  
Principal
