

UNIVERSITY LABORATORY SCHOOL
A Hawai'i Public Charter School

August 28, 2020

Aloha ULS Parents/Guardians,

We have reached the two week mark since the start of the new school year. We applaud the work and commitment of our faculty and staff, students, and parents. Distance learning has posed many challenges for all and we will continue to work through this together.

We have been monitoring the COVID-19 pandemic situation by keeping up to date with news and announcements from the governor and state agencies. We have decided to make a determination concerning our distance learning program. **ULS will continue with distance learning through Friday, October 2, 2020.** We feel that this is the best option for everyone in our ULS 'ohana at this time. ULS fall break is from October 5 to October 9. Students will return to learning on Monday, October 12, 2020. We will continue to monitor the situation and provide updates as October 2, 2020 approaches.

Powerschool

The first powerschool update for students in grades K-12 is on Friday, October 2, 2020. Parents should have created their powerschool accounts and accessed it. If you need help with your powerschool account, contact powerschool@universitylaboratoryschool.org

Attendance During Distance Learning

Each student in grades 6-12 will receive an attendance Google Form at 7:35 am each morning (Monday through Friday). Students are required to fill out the attendance form and submit it before 7:50am in order to be marked present and on time to school. Students who do not submit the form will be marked absent and parents will be contacted. Please remind your child to check their email in the morning and submit their attendance form.

If your child is going to be absent, please call the office at 956-7833 or email attendance@universitylaboratoryschool.org to report the absence.

I look forward to another inspiring week of distance learning with our students. I wish you all a safe and relaxing weekend.

Mahalo,

A. Keoni Jeremiah
Principal
