

UNIVERSITY LABORATORY SCHOOL
A Hawai'i Public Charter School

December 21, 2020

Dear Parents/Guardians,

I hope this letter finds your family in good health and looking forward to the holiday season.

Enclosed is your child's 2020 fall semester report card. Please review this report card with your child and discuss the successes of each class, as well as the areas where your child can make improvements in the coming spring semester. Should you have any specific questions regarding a grade on this report card, please contact your child's teacher directly when school begins in January 2021.

Contact Information

Please keep all contact information (phone numbers, email and home/ mailing addresses) updated. If you have any updates, inform the ULS Office staff by using the [Student Information Update Form](#) found on the school website - resources page or send updates by email to info@universitylaboratoryschool.org.

Revised ULS Return to Campus Plan

The Revised ULS Return to Campus plan was emailed out on December 15, 2020. We are asking that you thoroughly review the plan with your child so they are prepared to return to school in January 2021. Included in the plan is your child's weekly schedule organized by grade level and group.

PSAT Testing

On Tuesday, January 26, all 10th and 11th graders (both Groups A and B) will be taking the PSAT test in person in school. Ms. Rivera, ULS college counselor, has already informed the students of the test and sent them pertinent information to help them prepare. Testing starts at 7:45am and will conclude at 12:00pm. Students will be dismissed at 12:00pm to go home. Please make arrangements for your child to be picked up promptly at 12:00pm. Students will not be allowed to stay on campus.

In order to provide a safe testing environment, **there will be no in-person classes for students in Grades 9 and 12 Group B on Tuesday, January 26, 2021.** Instead students will complete online assignments and may attend online Google Meet classes with teachers. Please plan accordingly if your child is in Grades 9 or 12 Group B.

ULS Admissions

The University Laboratory School's admissions policy has recently changed. The new policy and procedures can be found on the school website-Admissions page. Applications for the 2021-2022 school year will be available online beginning January 6, 2021, through March 3, 2021.

I want to express my appreciation to all the students, parents, and teachers for all their hard work and achievements during these challenging times. Please have a safe and wonderful break. We await the return of your child to school to start the Spring 2021 semester on Tuesday, January 5, 2021. We wish you and your family all the very best. Happy Holidays from the University Laboratory School!

Sincerely,

A. Keoni Jeremiah, Principal
