Aloha ULS School Community,

The ULS administrative team was made aware of a confirmed COVID-19 case involving one of our high school students. The individual is in quarantine until medically cleared. Out of respect for this individual's privacy, we will not be sharing additional information. All individuals that have potentially come into contact with this person have already been contacted.

We are following the Response Procedures for Positive Cases and Possible Exposure outlined in our ULS Spring 2021 Return to Campus Plan to ensure the safety of our staff and community, including closing and sanitizing the impacted areas.

The Hawaii State Department of Health is the lead agency in terms of notifying individuals who were possibly exposed. For additional information or guidance, please visit the state's COVID-19 website at [www.hawaiicovid19.com](http://www.hawaiicovid19.com).

We have shared our cares and thoughts of concern with this individual and hope for a full recovery.

Thank you,

A. Keoni Jeremiah  
Principal
