September 30, 2022

Aloha ULS K-12 Parents/Guardians,

We would like to congratulate all of our students on a great first quarter of the school year. We look forward to seeing greater progress, and learning in the second quarter which begins on Monday, October 10, 2022 following the ULS Fall Break (October 3-7).

**Updates to Health and Safety Protocols**

**Mask Wearing**

Mahalo to all of our students, faculty, and staff for adhering to ULS health and safety protocols in regards to our required in-door masking policy. Starting on Monday, October 3, 2022, ULS will lift the required in-door mask wearing on campus. Students, faculty and staff will have the option of wearing a mask on campus if they choose to do so. The University Laboratory School reserves the right to reinstate required mask wearing if COVID-19 community levels become problematic for our school community, or if state mandates in regards to mask wearing change.

**PCR Testing to Return to School**

ULS will no longer require a PCR test from a medical facility or lab for clearance to return to school from an illness. However, ULS will still require a doctor's note to be submitted to the health team in order for your child to be cleared to return to school depending on the situation.

We ask parents to continue to monitor your child's health and keep them home if they are experiencing COVID-19 like symptoms. Please follow the return to school protocols outlined in the ULS Student/Parent Handbook.

An updated version of the Student/Parent Handbook with these current changes will be uploaded to the ULS Website on the Resources page.

### **Elementary K-5 Parent/Teacher Conferences**

K-5 parent/teacher conferences will start on Tuesday, October 18 through Friday, October 21, 2022. On these dates, **K-5 students will be dismissed from school at 12:00pm**. Parents, please make arrangements to have your child picked up at the 12:00pm dismissal time. K-5 elementary teachers will be reaching out to parents to schedule conference times.

### **HI-5 Recycling and Campus Beautification**

The ULS student community service group is planning a HI-5 recycling and campus beautification day to be held on Saturday, October 22, 2022 from 9:00am to 12:00pm. They will be accepting HI-5 recyclable aluminum, plastic, and glass containers. If you are interested in volunteering with the recycling or campus beautification projects, please fill out this [form](#) and submit it by Monday, October 17, 2022. The drive through recycling drop-off will be held in the school parking lot for quickness and ease.

### **Parking in School Lot (ZONE 1)**

It has been brought to our attention that some parents have been parking in the school lot (zone 1) while waiting for school to finish in the afternoon. This is a reminder that only UH zone 1 permit holders are allowed to park in the school lot. The UH parking office will enforce parking rules which can include ticketing, towing, or removal from the lot.

### **Report Cards for Quarter 1**

Your child's report card will be mailed home the week of October 17, 2022. If you have recently moved or changed your home address, please email [info@universitylaboratoryschool.org](mailto:info@universitylaboratoryschool.org) to have your address updated.

Mahalo and have a great Fall Break,

ULS Administration
